

# Discover the Magic of Vallarta

LUXURY BEACH®

We have our finger on the pulse of Puerto Vallarta and are happy to WELCOME YOU!

Here is a small selection of some of our absolute favorite activities in Puerto Vallarta.

## Swim with the Dolphins

Take a journey into the intriguing world of the dolphin through amazing face to face encounters in which you can touch, feel, play, learn and swim with dolphins. This intimate interaction with our dolphins will leave a lasting impression on your heart and mind, as you are immersed in this incredible experience. Our 40 minutes in the water is intimate, exhilarating, enlightening, and tender all rolled into a swirl of shared laughter.

## Sunset Sailing

Perfection Personified! This 2 □ hour cruise on the Banderas Bay is what treasured memories are made of.

## Canopy Tour

Only by leaving the “civilized” world can one truly appreciate the pristine beauty and vastness of the lush Mexican forest. The spectacular sights that you encounter while zipping through the outdoors make a great combination for thrill seekers and nature lovers alike. You will fly from platform to platform above the tropical forest floor taking in an overwhelming array of sights and sounds. A series of thrilling zip lines provides a once in a lifetime opportunity to marvel at nature’s ingenuity from above the forest canopy.

Let our Concierge Staff make your vacation that much more special by offering you a variety of services. It is our pleasure to offer you: personal chefs, catering, in-house massages, a round of golf, dining reservations, reservations for local activities or any other special requests you may have. **Your wish is our command.**

## In House Massage

Enjoy a luscious whole body or have our masseur concentrate on a specific area of need. The choice is yours; our qualified masseurs will provide the relief and relaxation you desire. Using a greater range of techniques and more “tools” (such as forearms and elbows), your therapist can work deeper to relieve chronic passive tension that will leave you feeling rejuvenated. 50min of sheer bliss.

## Dining in Puerto Vallarta

The Puerto Vallarta restaurant scene is both tremendously diverse and very extensive. With over 500 restaurants to choose from, we know the choices can be difficult so we help demystify the process for you by working with those leading restaurants that we know and trust and can recommend without hesitation. Whatever your budget or dining taste you’ll find a restaurant that is your ideal match in Puerto Vallarta. Get in touch to learn about the newest sensations in town.

**We encourage you to get the most from your time in Puerto Vallarta so offer our concierge service to you whenever you require.**
