Punta Mita - Pacifico Course, is an unparalleled private championship course distinguished by breathtaking ocean views and 200 pristine acres of lush, rolling hills and flowering landscapes. The 7,104-yard, par-72 course features eight ocean-side holes and an optional "19th" par-3 hole with a natural island green, making it the first of its kind in Mexico.

Set on a natural rock outcropping known as a site for whale watching, the signature island hole, "The Tail of the Whale," features the added challenge of an ocean-side tee on the beach, with an undulating green designed in the shape of a whale's tail, situated 199 yards off the coast. A tee box is based on the mainland, while the putting green is set on the idyllic natural offshore island. The only natural island green in the world.

Undulating greens and fairways make Bahia challenging but fun to play. Stretching 7,035 yards, this par-72 course features Miniverde greens constructed to USGA standards, Bermuda fairways and lush tropical landscaping. Its layout includes five par 3s, eight par 4s and five par 5s. Fairways wind around Punta Mita's beautiful residential communities and the elegant St. Regis Punta Mita Resort.

You are invited to experience the peaceful beauty of Punta Mita.
