

LUXURY BEACH®

A WEDDING IN PARADISE

Whether it be a casual, barefoot affair eschewing tradition, or an elegant one staged overlooking a white sandy beach, or one celebrated in an extravagant villa under the light of a full moon, **there is no day more special than a wedding.**

In Vallarta, the wedding season runs 8 months long as the weather is predictably perfect from November to June. Every day is a good day to be by the sea and let love fill the air.

A personal banquet or cocktail event can be prepared with gastronomic flare to suit any palate. The best chefs and caterers ensure a reception that is truly authentic and memorable.

The romance, the magic and the tropical location of Puerto Vallarta all contribute to make your wedding a day like no other. Vallarta is the ideal place where wedding dreams come true.

The Luxury Beach Concierge will make the magic happen. Our Concierge will find the perfect location, secure the accommodation needed for all guests, and then stage your special day; no detail too small and everything delivered with ease.
