The property provides a total of 5 bedrooms and 6 bathrooms located in a main house and Casita. Both houses offer living, dining and kitchen areas. The homes were built in classic Vallarta style with beautiful tiles, dark wood doors, tile roof, and open living spaces. The villa comes with a private pool and poolside palapa bar. Lush tropical plants surround the property with a garden pathway that wanders between the big house and the Casita. Few things in life are as pleasant as relaxing on the terraces, watching the colorful sunset over the bay fade into the exotic, tropical nights.

Enjoy a full-time maid and mozo at Villa del Cielo during your stay.
