On the south side of Puerto Vallarta where the noise and tumults are silenced by the wilderness and beautiful landscapes you can find our lovely ocean view Villa Cosmica. This splendid resort is special for vacationing.

Whether you are looking for peace and quiet, surrounded with the most beautiful views and wilderness or in search of a place that allows you to be as wild as you wish without any concerns of unhappy neighbors, Villa Cosmica is the perfect spot.

Each bedroom has its own full bathroom and air conditioners. Two more bathrooms are available for guests, one by the living room and the other one by the pool next to our unique TV and Game Room located on the lowest part of our Villa, resembling a cave beneath the house, also with air conditioner. The kitchen is decorated in Mexican Style and its colorful decorations make it worth waking up every morning.

The most beautiful part of Villa Cosmica is that you can enjoy every single area without leaving any room.
