The house is nestled in Colonia Alta Vista, a traditional Mexican neighborhood in the lower reaches of the Sierra Madre mountain range. Casa Hotelito Rolando overlooks Old Town Vallarta and the ocean on one side, with a back view of the jungle. We are in an ideal location, exactly 6.5 blocks from the popular Los Muertos beach, 2 blocks from the famous restaurants of Basilio Badillo, and a ten minute walk to the Malecon. Casa Hotelito Rolando offers six uniquely themed bedrooms, each with its own bathroom. There are also two common half baths, and a full-service kitchen for cooking parties. We also have an in-house, authentic Mexican cook for hire. Facing the ocean and overlooking the city, there is a large deck area on the west end of the property, with a spectacular view. This area features an outdoor cooking facility with a pool-side bar and lounge chairs along the deck with two large palapas for shade.
