The bedrooms have the most beautiful and eccentric views, from the wild to the blue ocean side. You will experience nature as you never had before. Feel the ocean breeze while you are sipping a margarita in our infinity pool, or in one of our two large palapa bars. Our Jacuzzi is so close to the ocean you can almost taste the salty waters, and there is a pathway to an altar made by the rocks in the middle of the ocean where you can not only celebrate your wedding ceremony but also relax and enjoy the view. We also have for you to enjoy a T.V. room with a table for games, and many books to read or if you prefer something more exciting you can visit our theatre room with a wide screen ready to play any movie you desire. If you are more into the healthy side try our gym by the pool terrace while you enjoy one of the greatest ocean views.
