Garza Blanca's premier penthouse suites are designed to soothe and invigorate the senses while enveloping you in the mysterious cloak of the primordial jungle and wild ocean that lie right on your doorstep.

Garza Blanca penthouse suites are designed with the comforts of home and a flair for the dramatic: 10 foot ceilings open bedrooms, living and dining areas to stunning oceanfront breezes and natural light, kitchens are a chef's dream and vacationer's sanctuary with stainless steel appliances, double door refrigerators with built-in purified water and ice dispensers, dishwasher, garbage disposal, and spacious granite countertops with breakfast bar. Stresses dissolve in an oversized soaking tub with a view of the ocean, and clothes stay wrinkle-free in enviably large closets. And never worry about having a shortage of beach towels: the full size stackable washer and dryer ensure there is always a clean load.
