This unit features comfortable yet high style design with all the modern conveniences. This 11th floor balcony captures an incredible ocean view, and seen to your left is the curve of the Bay of Banderas which provides spectacular "city lights" view at night. Fireworks can be seen from the balcony several nights most weeks. A second balcony shared by the two rear bedrooms provides an impressive view of the Sierra Madre mountains and city. Guests say the photos do not do the unit justice! The apartment is appointed with cable TVs in all 3 bedrooms plus a 40" flatscreen in the living room. Original artwork and high quality prints decorate the walls. All three walk-in showers are unusually deep and roomy, and two of the bathrooms feature twin sinks.

The kitchen is amply appointed with high quality cookware and probably every tool or amenity you have at home.
