Newly constructed, Casa Karma is a contemporary multilevel villa.

You enter the villa on the top floor with bedrooms and terraces on each level, taking the elevator down to the pool and living room on the beach level. The spectacular views from the living room and terrace offer a wonderful place to relax and watch the sunset. The indoor pond adds to the tropical ambiance and relaxed feel of the house. The living and dining area open onto a spacious terrace with an infinity pool, Jacuzzi and wet bar set against the shimmering Bay of Banderas. A private stairway leads down to a small cove with a sandy beach surrounded by volcanic rocks and emerald water, making this an excellent spot for snorkeling. The spacious rooms and large pool make it ideal for large groups.
