Casa Septiembre is a Mexican contemporary design with lovely antiques and period pieces.

Originally built in traditional Spanish style, it has been remodeled and redecorated into a contemporary design with Art Deco architectural details and furnished with antiques, giving the house a sophisticated European look in a colorful and eclectic style.

Casa Septiembre has 8 bedrooms all with ocean views. 3 bedrooms have king beds, 2 bedrooms with queen beds, two have 2 twins that can be made into kings. All six bedrooms have zoned air-conditioning, private baths and private terraces.

The spacious living area, complete with satellite TV, DVD player and VCR, is just a few steps above the large, heated pool. The beautiful, white sandy beach is just steps from the pool. The villa comes with a full staff, including a cook, houseman, maids and gardener, Monday to Saturday.
