We are a short walk to the beach, shops and restaurants. If you prefer to ride, taxis are plentiful, and very reasonably priced.

The villa has 3 spacious suites. Rent the whole villa, and it can sleep 10 people.

We have 5 bedrooms with private bathrooms.

There is lots of privacy, and large entertaining and dining areas.

We will gladly arrange all your airport transfers, and have a driver waiting for you at the airport.

Upon arrival at Casa de los Arcos, put your feet up and relax.

If you would like to pick up some supplies for your stay, we are happy to take you to the local supermarket then, sit back and sip a freshly made margarita, as your hosts fill you in on local activities, restaurants and details about the villa.

We are happy to arrange activities, tours, massages and anything else you might need.
