ICON Vallarta is situated on the golden shores of Banderas Bay on Mexico's Gold Coast. Vallarta has evolved from a quaint little fishing village into a modern luxury oasis for jetsetters and travel seekers alike.

This amazing two story penthouse will take your breath away. From the bright and cheerfully painted rooms, to the sleek and modern furnishings, all aspects of this penthouse are great. The first floor contains a full kitchen with brand new appliances, a dining table for 8 guests, and a living room with a large, flat screen TV. From there, you open the sliding glass doors to the large terrace that overlooks the ocean and mountains. Each of the bedrooms have a king sized bed, their own ensuite bathroom, and two have private patios, while the third has floor to ceiling windows.

Once you head up the staircase to the second floor, there is a den to read or relax in.
