This 15,000 sq. ft. architectural masterpiece cascades down six beautiful levels of native vegetation, over dramatic cliffs and through colorful gardens overlooking the beach and cove where "The Night of the Iguana" was filmed. The "Los Arcos" National Park, with its distinctive arched rocks, is considered the centerpiece of the best views in Banderas Bay and stars as the highlight of every vista in this majestic home. Beyond it, downtown Puerto Vallarta, only 15 minutes away. The road to Mismaloya is one of the most beautiful drives in all of Jalisco. Villa Mandarinâ€™s distinctive architecture and unique colors can be seen in glimpses from the coastal road miles away, emerging from behind Los Arcos and then disappearing behind the cove where Richard Burton and Liz Taylor fell in love with Mexico. Villa Mandarinâ€™s joyful colors will sweep you into its great heart. In every detail and corner you will find the warmth and friendly nature that are the essence of this family.
