The property includes on-site staff (living in separate staff quarters) and comes fully equipped and furnished including telephone, cable television and high speed internet, with plenty of space for 12+ guests. The ideal location, an easy 2 block walk to one of the best beaches in Mexico and less than a 10 minute drive (4 miles, \$6 by taxi) to the charm and excitement of old town Vallarta.

Close to the city but totally private and quiet, nestled in lush tropical gardens on Vallarta's exclusive south side directly adjacent to the exclusive Garza Blanca Preserve with full access to all Garza Blanca facilities. The house has extensive indoor and outdoor living areas next to the Palo Maria river with beautiful views of the surrounding mountains, ocean, and jungle.

All bedrooms have private baths (many with large stone soaking tubs) and are beautifully furnished.
