Retire to a haven of peace and tranquility through our 18th century wooden doors, that open to a secure private garden and pool area unrivalled in its beauty. Relaxation comes naturally on our patios and secluded outdoor areas, where bugambilias, birds of paradise, roses and gardenias mingle with the other plant species lining the walls, providing a screen that keeps the outside world at bay.

Imagine..... your own private villa, with maid service every day and 5 luxurious suites for your family and friends. Our suites are designed for privacy and pure comfort, featuring the most comfortable box-spring beds with sheets of 400 thread-count. Each suite is equipped with coffee maker and coffee, fridge, television with SKY satellite service with almost 200 channels, many in English. All suites have a terrace or patio area perfect for morning coffees or just to relax and soak in the tranquility.
